# BLACKPINK World Tour 2025 FAQs

### Q: What cities are they planning to tour in 2025?

**A:** BLACKPINK is planning to tour to various countries in Asia, Europe, North America and Oceania. They are planning to stop by all the places they've stopped before in their BORN PINK World Tour.

### Q: Will all members perform in the world tour despite solo endeavors?

**A:** Yes. All the members will be present at all the stops during the tour. They will do their best to give amazing performances to their fans.

### Q: What are the ticket prices for their upcoming world tour?

**A:** Ticket prices are not yet available for the tour and more information about the world tour will be released by the end of the year.

### Q: Will the group make new music leading up to the tour?

**A:** Yes. The group is set to make new music in time for the world tour. The group will also perform their biggest hits and individual songs.

### Q: Will there be any more plans for the group in 2024 and 2025?

**A:** The group has recently hosted an exclusive fan signing event in celebration of their eighth anniversary. Future endeavors are yet to be discussed by the company and group members.
